

# YOUR FREEDOM OF CHOICE

## ***NOW YOU CAN FIGHT BACK!***

Over the past few years in Ontario, books, magazines, videos, best-selling novels, Christian tracts, feminist documentaries, sexually-oriented publications (*Penthouse*), newspapers (*Toronto Sun*), movies (*Red Dawn*), and hundreds of other publications and films have been censored, banned, withdrawn from public view, threatened with prosecution, etc., by persons, groups, and governments who are using current laws to suppress the exchange of ideas and opinions, whether written or visual.

Daily newspapers have become the subject of federal investigations, all videos and movies in Ontario are subject to government review and censorship, sexually-explicit material is flatly outlawed, and *the trend of increasing censorship shows no signs of slowing down.*

The power of governments to tell you what you are permitted to read, see, hear, or say is expanding and *will continue to do so unless you get involved!*

### THE FREEDOM PARTY **CENSORSHIP DEFENCE FUND**

The **Freedom Party\* Censorship Defence Fund** has been established primarily to offer its **tax-creditable status** to those who would like to see their tax dollars **fight censorship**, rather than having those tax dollars used to *destroy their freedom to choose.*

**Freedom Party** believes that the purpose of government is to *protect* our freedom of choice, *not* to restrict it.

#### **CENSORSHIP VICTIMS' AID**

Contributed funds may be earmarked for the provision of legal counsel for censorship victims, for the promotion of freedom of speech (i.e., newspaper advertising), for the supply of information on the status and effects of censorship in Ontario and elsewhere, or for the funding of court challenges to the various censorship laws that currently exist in our supposedly *free* nation. Every cent of your contribution goes for the fight against censorship. Freedom Party pays for all administration, staff, postage & newsletter costs out of its resources.
