

"Putting freedom first is our fundamental mission," says **Freedom Party leader Lloyd Walker**.

"That's what makes Freedom Party unique. Left- or right-wing labels don't matter. What matters are the people who make up this province, and ensuring that their individual rights are protected.

"To do that, we need your help. Since 1984, when Freedom Party was founded, Fp members and supporters have been working hard to earn your support. Freedom Party has a track record to be proud of, and I personally invite you to become part of it.

"Regardless of your political affiliation, Freedom Party has something to offer you. Surprise yourself. Call us! - and discover a better Ontario."

A handwritten signature in black ink that reads "Lloyd Walker".
